PROSPECTOR'S SPECIALTY

# BRICK OVEN PIZZAS

Our pizzas are baked in a brick oven at over 600 degrees Fahrenheit. Our dough began with a 100 year old starter and is made daily from four core ingredients: flour, water, salt and yeast. This unique process of proofing the dough creates key complexities of our crust, producing a crisp, crackly, and chewy finish.

CUB SIZE 12" GRIZZLY SIZE 16" Gluten-free crust is available on any cub size pizza for no additional charge.
